Conditions that help care for our lending Library: The borrowing period is one month, with two renewals permissible if books are renewed on time at the end of the first and the second month. Renewal may be by phone or by email. First-time borrowers may borrow up to two books, after which members may borrow up to five books at a time. Arrangements may be made for checking out books for longer periods if they are for study group material. A book drop is in the west doorway for returns during non-open hours. Fines for late books begin the Saturday after the book is due. The fine is \$1.00 per book per week. Books must be returned in good condition, unmarked, the spine unbroken. There is a charge for damaged or lost books. Unmet fines and charges preclude new check-outs.

As a new library member, please sign indicating your agreement to these conditions.
